

**Acts 7:29-37**  
**Looking At the Miraculous**

**Introduction:**

There are throughout Scripture scores of miracles recorded. They are revealed to give us the awesome power of God. A miracle is a supernatural source of divine energy. It is an observable phenomenon effected by the direct operation of God's power. It is a deviation from the ordinary sequences of nature. Its goal is to elicit faith and bring glory to God. **Mark 4:38-41**
